Notice of Public Meeting

The Arkansas Science & Technology Authority Board of Directors meeting has changed locations. The new location is the National Center for Toxicological Research in Jefferson (map is enclosed). The meeting will be held on Friday, July 16, at 1:30 p.m. in NCTR's Building #12 Conference Room. The Research Committee will meet at 1 p.m., directly preceding the Board meeting. **The Board meeting will not be a conference call in the ASTA Conference Room as originally announced.**

The draft agenda for the Board meeting is enclosed. The Draft Resolution concerns proposals for filling two vacancies in the Department of Energy/ASTA EPSCoR Traineeship Program. At the end of the meeting, the Board will receive a briefing on matters concerning NCTR.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
