### **Hendrix Physics Researcher Receives ASTA Grant**

The Arkansas Science & Technology Authority (Authority) recently issued a grant of \$33,994.87 to Dr. Pradip Bandyopadhyay, effective May 31, 1995.

Dr. Bandyopadhyay is researching the "Study of Alkali Halide Phosphors as Imaging Plates in X-ray Digital Radiography" at the Department of Physics, Hendrix College.

The Authority's Board of Directors approved funding of the proposal, Resolution No. 95-34, May 19, 1995. The award is for a period of 15 months.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation and education.
