UALR Chemistry Researcher Receives ASTA Grant

The Arkansas Science & Technology Authority (Authority) recently issued a grant of \$37,700.00 to Dr. Ali U. Shaikh, effective May 31, 1995.

Dr. Shaikh is researching "Amino Acid Sequencing of Proteins and Peptides by Mass Spectrometry" at the Department of Chemistry, University of Arkansas at Little Rock.

The Authority's Board of Directors approved funding of the proposal, Resolution No. 95-36, May 19, 1995. The award is for a one-year period.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation and education.
