### **ASU Photo Conductor Researcher Receives ASTA Grant**

The Arkansas Science & Technology Authority (Authority) recently issued a grant of \$30,244.00 to Dr. J. Bruce Johnson, effective May 31, 1995.

Dr. Johnson is researching "Development of Tin Sulfide Thin-Film Photoconductors" at the Department of Physics, Arkansas State University.

The Authority's Board of Directors approved funding of the proposal, Resolution No. 95-35, May 19, 1995. The award is for a one-year period.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation and education.
