October 26, 1995

Telecommunications & Information Technology Advisory Board Subcommittee Teleconference Announced

The Subcommittee on Vision, Mission, Philosophy, Objectives and Goals for the Governor's Telecommunications and Information Technology Advisory Board will meet via teleconference at 2 p.m., Thursday, November 9, 1995, in Little Rock, Arkansas.

Participants, media and the general public are invited to attend the teleconference at the Arkansas Science & Technology Authority conference room, Suite 450, 100 Main St.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation and education.
