Governor's Telecommunications & Information Technology Advisory Board Subcommittee Meeting Rescheduled

The Governor's Telecommunications and Information Technology Advisory Board Subcommittee via teleconference has been rescheduled. Instead of meeting on Monday, December 18, 1995, the subcommittee will meet on Tuesday the 19th at 11 a.m. in the conference room at the Arkansas Science & Technology Authority, 100 Main St., Suite 450, Little Rock.

Please disregard the previously announced meeting date dated Dec. 14, 1995.

For additional information, contact either Robert J. Alvey or Michael Hipp, Vice President Telecommunications, Arkansas Science & Technology Authority.
