Quarterly Meeting of Authority Board of Directors set for Jan. 19

The Arkansas Science & Technology Authority Board of Directors meeting will be held on Friday, January 19, 1996 at 1:30 p.m. in the 4th Floor Conference Room of the Science & Technology Building, 100 Main Street, Little Rock. In addition to usual business activity, such as the President's Report, and Committee Reports etc., the Board will: discuss the Fiscal Year 1996 General Fund Expenditure Report, quarter ending Dec. 31, 1995; report on Arkansas' Manufacturing Extension Network Expenditure Report; and both establish terms and introduce new Board members. Additional information may be obtained by contacting the ASTA office.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
