For Release 10:30 AM CST  
April 17, 1996

### **Authority's Manufacturing Resource Advisory Committee to Meet**

The Arkansas Science & Technology Authority's Manufacturing Resource Advisory Committee will meet at 10 a.m. Wednesday, April 24, 1996 in the conference room located on the fourth floor of 100 Main St. in Little Rock..

The committee was recently established by the Board of Directors to review and advise on matters relating to statewide industrial extension efforts through the Arkansas Manufacturing Extension Network, an Authority project.

For additional information regarding the Network, contact Julie Welch Vice President Manufacturing Extension at 501-324-9006.

*The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.*
