Authority Board of Directors Meeting Scheduled

The Board of Directors for the Arkansas Science & Technology Authority will hold its regularly scheduled meeting on Friday, November 15, 1996 at 1:30 p.m. The Authority Board will meet in the board room of the Arkansas Electric Cooperatives, 8000 Scott Hamilton Drive in Little Rock.

A tentative Board agenda includes the President's Report, a presentation by Kim Reynolds of the National Institute of Standards and Technology, a Research Committee Report, an Investment Committee Report and the Fiscal Year 1997 Expenditure Report.

The public and media are invited to attend. For additional details, contact Melissa Adams, Executive Secretary, or Robert J. Alvey, Communication Programs Manager, both with the Arkansas Science & Technology Authority.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
