### **Authority's Manufacturing Resource Advisory Committee to Meet**

The Arkansas Science & Technology Authority's Manufacturing Resource Advisory Committee will meet at 10:00 a.m., Wednesday, June 18, 1997, in the conference room located on the fifth floor of 100 Main Street in Little Rock.

The purpose of this meeting is to review items relating to statewide industrial extension activities conducted by the Arkansas Manufacturing Extension Network, an Authority project. This committee is an advisory committee to the Arkansas Science & Technology Authority Board of Directors.

*The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.*
