Re: June and July Committee Meetings

---

## Authority's 'Network' Committees Set Meeting Dates

The Manufacturing Extension Network, an Arkansas Science & Technology Authority program, has scheduled two committee meetings: the Client Advisory Committee, and the Manufacturing Resource Advisory Committee (MRAC).

The Client Advisory Committee, which reports to MRAC, will meet on June 23 from 11 a.m. to 1 p.m. in the 4th floor conference room at 100 Main Street, Little Rock, Arkansas. The Client Advisory Committee is a conduit between Arkansas' manufacturers and the Network.

MRAC, created to improve Arkansas' manufacturing and industrial world class competitiveness through the delivery of comprehensive technical and business assistance services, will meet on July 8 at 10 a.m. in the 4th floor conference room at 100 Main Street, Little Rock, Arkansas.

The public is invited to attend the aforementioned meetings.

*The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.*
